Please help to support Rolt Millennium Green

A breathing space in the heart of St James

Why are the Green's Trustees asking local residents to contribute towards funding at Rolt Millennium Green?

To keep this space blooming and beautiful, your Trustees need to spend several hundred pounds each year on one or more recurring costs:

- structural items such as replacing poles that border our raised beds;
- major site maintenance such as pollarding any larger tree at risk of dropping limbs, or that needs its life extending by careful rejuvenation;
- regular maintenance of our main machinery and equipment, such as the petrol-mower which is well-used all summer.

Rolt Millennium Green, a breathing space in the heart of St James

We hope you will agree this little island of green, with its lovely view out across the Vale, is a special place. We are grateful for the support from Friends of the Rolt Millennium Green, as well as any contributions from the local community of St James and Shaftesbury.

Thank you, from the Trustees
